

IRA Contributions: *Time Is Running Out!*

The cutoff date is fast approaching for making contributions to your IRA and claiming a tax deduction for 2009. April 15, 2010 is the deadline for 2009 contributions, so be sure to contribute before the cutoff if you plan to take advantage of the tax deduction.

If you don't have an IRA, stop by the credit union and open one today. You don't have to make a huge initial contribution to get started. Start small and let it grow. We make it easy to transfer money from your checking or savings account into your IRA on a regular basis, so your money will grow safely and securely at your credit union. Your Credit Union Can Help

CCF is providing free state and federal tax preparation services for all members. This year, click on the *Just file it! We'll help.* icon on our News & Announcements page and you can electronically file your taxes at no cost.

You can itemize your deductions, claim all the tax credits you are eligible for and have your refund directly deposited in your account within 8 to 10 business days.

All you will need in order to file is Internet access (at home, school, business or community computer center), your own e-mail address and a printer. This service is easy to use, provided in English and Spanish, and has live chat available to answer your questions.
