ROUND-UP REWARDS

CCF's newest savings program is Round-Up Rewards! Every time you use your debit card, Round-Up Rewards rounds your purchase up to the nearest dollar and deposits the difference into a dedicated savings account.

With Round-Up Rewards, CCF matches 25%* of your first month's savings total, and then another 5% every month after. Match deposits will be made quarterly, and are a great way to automatically boost savings.

1. Open a Round-Up Rewards savings account and connect with your CCF Reward Checking debit card. Don't have a checking account? No problem, we're happy to open one for you.
2. Use your card for your everyday purchases and watch your savings add up. Every time you make a purchase using your signature, not your PIN, it will be rounded and transferred to your Round-Up Rewards savings account. Even online purchases count!
3. Get rewarded! At the end of the first month, CCF will match up to 25% of your first month's savings. Then, every month after, CCF will continue to match 5% of your monthly savings amount.

Visit CCFinancial.com/RoundUp for more information. To enroll in Round-Up Rewards call **(800) 777-6728** or visit your nearest branch and a friendly

*Upon enrollment, we will round up your CCF debit card purchases to the nearest dollar and transfer the difference from your checking account to your Round-Up Rewards savings account. Purchases completed by entering a PIN are not eligible for the Round-Up transfer. To receive the credit union match the account must be enrolled in eStatements. The match amount will be credited to the Round-Up Rewards savings account at the end of each calendar quarter, not to exceed \$200.00 per calendar year. Accounts that are closed prior to the match deposit will not receive that quarter's match deposit. There are no minimum deposit requirements to open a Round-Up Rewards share account. Subject to change at any time. Not available for use with Business Checking accounts.

BUILD HOPE LEGO DRIVE'S FINAL NUMBERS

With CCF's set-for-set matching, we surpassed our goal and collected more than 780 LEGO® sets for the children's hospitals!

Because of shipping delays, sets continued to arrive well into October and we happily delivered a second shipment of LEGO sets to the hospitals.

A special thanks to The Central Macomb Optimist Club for their donation of more than 80 LEGO sets of all sizes! It's members and community partners like you that make these fundraisers a success.

Families all over Michigan and Ohio deal with pediatric cancer every day, and we hope that CCF's fundraising and community efforts will make a difference and be a bright spot of hope for families during this tough time. Thank you for helping us Build Hope with LEGOs!
